

“Maine Singer/Songwriter Brian Patricks Reviews”

Brian, I've heard only good comments from many of the folks who saw you at the coffeehouse. You're playing and singing complemented by your easy going narrative remarks made for an extremely enjoyable evening, I'll look forward to having you back in the future.

Singer/Songwriter Brian Patricks is a great local songwriter.

Freeport Square Art Gallery, Freeport Maine, 207-865-1616

Brian is highly skilled as a musician and as a performer. Every performance is different, because he's experienced enough to know how to tailor his delivery to the whims of our eclectic guests. He's as great a communicator as he is an artist. Even better is that Brian is a pleasure to work with. He's willing to pitch in as part of a team - filling in when needed and trading gigs when we need to juggle. Our diners love him, our staff enjoys working when he's in the house, and his style extends the welcoming ambiance we try so hard to offer consistently here at Andy's. He's one of the few artists I've ever worked with who understands the need to provide an outstanding performance, while at the same time, taking an interest in the success of our business and the comfort of our guests. We're fortunate to have him on board.'

Brian is a talented guitarist and songwriter and a great interpreter of cover tunes, I'm sure your audience would enjoy him.
